

Member benefits

The veterinary business landscape has changed dramatically in the last couple of years. Contributing to this is the rise of corporatisation, listed companies, advances in technology, changing customer expectations and new business models. It's therefore essential that those involved in veterinary business have the right support, skills and tools to build a sustainable business.

The Veterinary Business Group (VBG) offers an array of practical, cost-effective and inspirational continuing professional development opportunities for the veterinary leaders of today and tomorrow.

We are committed to driving innovation and supporting your business to function at its peak.

PRODUCTS & SERVICES

Online learning

We know that education comes in every shape and size, that's why the VBG has developed regular webinars in addition to our annual Summit and workshops. Webinars are free of charge to VBG members and cover all things veterinary business - from risk, WHS and practice design to HR and KPI's.

Practice management workshops

Providing you with practical tools and insights to help manage your practice effectively.

Industry insights

Monthly newsletter keeping you informed of industry trends and changes.

Practice Insights Tour

Only the VBG can take you behind the scenes of leading innovative practices here in Australia and abroad. Our practice tours provide a unique and insightful look behind-the-scenes on vital areas such as finance, management, marketing and branding, human resources, strategy and infrastructure.

SUMMIT

Our flagship two-day event focusses on effectively managing a veterinary practice in today's environment. It dives into the day-to-day management issues across specialties as well as focussing on barriers to growing and building a sustainable veterinary business into the future.

Leadership development program

A nationally recognised online course delivered by the Animal Industries Resource Centre, and proudly offered in conjunction with the Veterinary Business Group (VBG) leadership initiatives.

Work Health and Safety Guidelines and Checklists

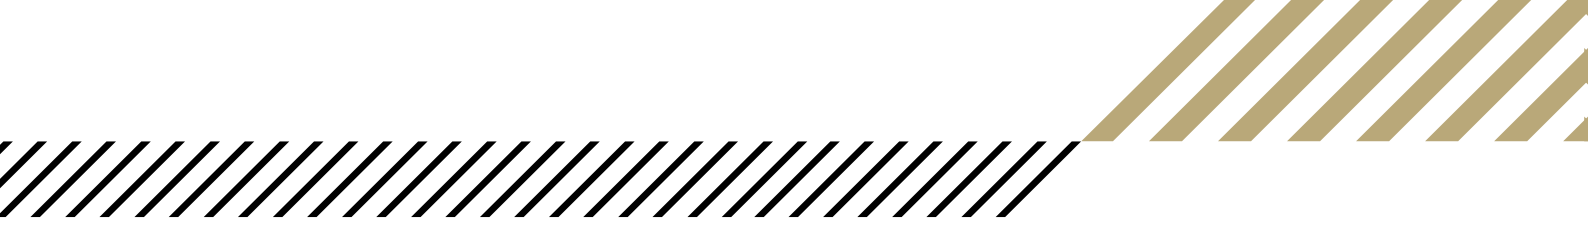

Helping to address key risk factors faced by the veterinary industry.

Veterinary Business Awards

Recognising individuals and businesses who have made a significant contribution to the veterinary business landscape.

Leadership Scholarships

Acknowledging early career veterinary professionals, and veterinary students who demonstrate an aspiration for leadership.

WE ARE ALWAYS ON HAND TO HELP

Every day we work as an active business partner facilitating greater innovation and success of veterinary practice across the Australian profession.

As a progressive thought leader, we understand best practice animal welfare and business management principles. We connect our members with the insights, skills and networks they need to elevate their practice to the next level.
