ALL
NATURAL

NO
ARTIFICIAL
COLOURS
FLAVOURS
PRESERVATIVES
OR GMOs

WHIMZEES BRUSHZEES® have been awarded the VOHC Seal of Acceptance for helping to control plaque & tartar. They are scientifically proven to be effective in reducing both tartar and plaque accumulation on dogs' teeth!

EVEN GROOVIER

Lots of grooves to help clean the smaller spaces between dog's teeth.

HEALTHY NATURAL INGREDIENTS

No artificial colours, flavours or preservatives. GMO free, gluten free and grain free*. Low in fat and calories^.

RIDGES & NUBS

Helps ensure proper bloodflow through the gums and helps to reduce plaque, tartar and bad breath.

CRAFTED WITH LOVE

Just six main ingredients – all vegetarian. Loaded with fibre for a stronger and longer chew and better clean.

PAWFECT PAW PAD

Designed to help their paws grip to chew more easily.

*Based on studies of comparable products conducted by an independent kennel (2017-2019).

^ Excludes Rice Bone. ^ Excludes Rice Bone & Puppy shapes.
